PROFESSIONAL SUMMARY

Recent marketing analytics graduate (M.S., California State University, Long Beach, Aug. 2026) who builds brand presence from zero. Launched and ran a graduate business program's Instagram and LinkedIn end to end, from brand kit and content calendar through published posts, short-form video, and creative performance analysis. Four years co-founding a consumer food brand, owning its social media, online sales, and event partnerships.

CORE SKILLS

Social & Content: Instagram & LinkedIn strategy, content planning & calendars, content batching, community engagement, trend & competitive research, Buffer scheduling

Creative & Production: Social graphics, carousels, short-form video editing, product photography, brand kits; Adobe Illustrator, Canva, CapCut

Campaigns & Brand: Campaign and launch support, audience segmentation, brand voice, email marketing (Mailchimp)

Research & Analytics: Market research, social listening (Communalytic), consumer sentiment analysis, creative performance analysis, A/B testing, survey design (Qualtrics), Google Analytics 4, Google Ads, Tableau, Python, SQL

Certifications: Google Skillshop (Search, Display, Shopping, Video, Measurement, Creative Strategy), British Airways Data Analytics Certificate

EXPERIENCE

Weekend MBA Marketing (Instructional Assistant) | *CSULB, College of Business, Long Beach, CA* **Feb 2026 – Aug 2026**

- Launched the program's Instagram and LinkedIn from zero and ran both end to end: content planning, asset creation, and scheduling in Buffer. Best-performing post reached 2,340 organic impressions.
- Analyzed creative-level performance and identified video and static faculty spotlights as the top-converting formats at 8.0% CTR.
- Coordinated a 12-month content calendar across three audience segments, produced content in monthly batches, and worked with faculty and program staff to source material and approvals.
- Designed 3 automated email nurture flows (Mailchimp) and authored a one-year integrated marketing plan including SEO and website UX recommendations.

Co-Founder, Social Media & Operations | *Cakebyshayeste, Istanbul, Turkey* **Nov 2019 – Mar 2024**

- Ran social media, online sales, and customer engagement for a consumer food brand; grew monthly revenue by $2,000 through targeted campaigns and partnerships with two event-planning firms and influencers.
- Planned seasonal and occasion-driven campaigns end to end, shot and edited the product photography, and managed customer communication across DM and comments.

Graphic Designer | *Freelance, Tabriz, Iran* **Aug 2023 – Mar 2024**

- Designed logos, social graphics, and promotional collateral for local businesses using Adobe Illustrator, CapCut, and Canva to build their social media presence.

RELEVANT PROJECTS

Owala, Brand Strategy & Customer Retention Campaign | *Graduate Capstone* **2026**

- Used social listening (Communalytic) and lifecycle-funnel design to move a DTC consumer brand from hype-driven drops to habit-based retention, defining KPIs including 4x ROAS and customer lifetime value growth from $38 to $350+.

Yelp Open Dataset, Consumer Sentiment & Cultural Research | Graduate *Project* **2026**

- Processed 6M+ reviews into analysis-ready records in Python; clustered review themes with BERTopic and HDBSCAN to surface what drives customer satisfaction by category.
